## **ASSEMBLY INSTRUCTIONS**

- Step 1** Place the cart on its side and remove all casters.
- Step 2** Remove the four caster inserts from the current cart legs. Remove the four bolts from the bottom shelf. Insert leg extensions into the legs. Insert bolts into the hole on the bottom tray and tighten.  
(Repeat this process for all four legs)
- Step 3** Reinstall casters onto the leg extensions. The leg extensions already have caster inserts for your convenience.
